Lancaster Red Rose Credit Union’s mission is to exceed the needs of our members by providing reliable, quality financial service that will improve the lives of those we serve.

Our vision at Lancaster Red Rose Credit Union is to grow membership through community outreach, education and reliable financial service.

You've probably heard of banks, but you might not be as familiar with credit unions. They are non-profit organizations owned by members. Credit unions help the community by helping their members save and borrow.

Usually, credit unions offer higher savings rates, which is important to young people just starting their savings accounts. Credit unions typically charge lower or reduced fees compared to banks and are known for providing personal service.

Many members of credit unions like knowing their savings will go back into the community and help other members get mortgages to buy homes and loans for new cars. They help members grow their savings, pay off debt, and plan for the future.

What the Heck's a Googolplex?*

Ever wonder: Which is worth more—a 1978 Boba Fett action figure or a 1989 Hot Wheels Lamborghini? If the U.S. could run out of money? Who's taking money out of your paycheck?

You'll find the answers to these and a googol of other questions by reading www.LRRCU.org Googolplex, LRRCU's guide for student moneymakers.

Googolplex contains stories, games, and puzzles for elementary, middle, and high school students. It's all about money—getting it, saving it, spending it, borrowing it. It'll show you how business and the economy work and how you can take control of your financial future. And it'll make you laugh.

Read Googolplex today. And come back regularly. You'll find something new each month. It's just one more way LRRCU can help you make the most of your money.

* A Googolplex is the largest number with a name. If we could know how many atoms there are in the universe, that number would still be less than a Googolplex. Notice that Googolplex is not simply the largest number, because there is always Googolplex + 1! www.LRRCU.org Googolplex is also the name of LRRCU's new online youth magazine.

Win \$\$ in the C-Note Photo Contest

It's up to you. Whether or not your photo entry is voted "best of the best" by your peers, any time's the right time to visit the C-Note photo contest. Who knows, you could win \$100 or even \$1,000!

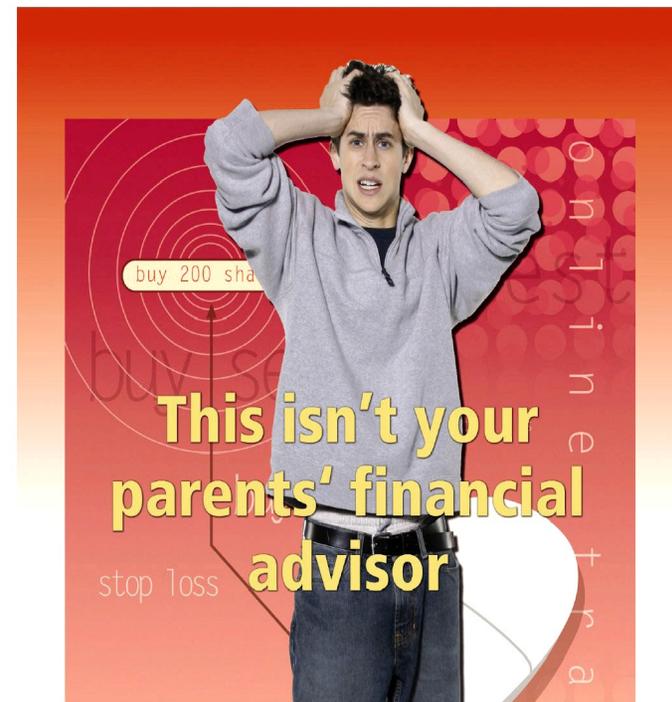

Here's how: Visit our Web site at www.LRRCU.org Googolplex, LRRCU's guide for student moneymakers.

Click on C-Note and then on the winning photo on the top right of the page. What photo will you enter in the next contest? There's a new theme every seven weeks. While you're there, vote for your favorite photo entry and post a comment!

While you're there, look in the left-hand navigation bar on any page and choose Blogs. Bloggers and topics change periodically. Go ahead and blog—you might build your own following.

Come back often—there's a wealth of information and fun in C-Note, with something new every week: stories, games, videos, blog posts, poll questions, and fresh ongoing dialogue in the form of posted comments from your peers.
